JEANNE FITZ

about the brand

Welcome to Jeanne Fitz Home, a legacy dedicated to those who recognize the art of food is a combination of kitchen secrets, mouth watering food, and an uncanny ability to fashion tables filled with warmth and intimacy. Our goal with Jeanne Fitz Home is to create special moments, experiences that stir the emotions and forge lasting memories between family, friends, and newcomers alike.

Our inspiration for Jeanne Fitz is a mother, grandmother, sister, and dear friend, a champion host who understood that cooking was more than blending ingredients together to create something delicious, but an opportunity to bring family and friends together. We carry on the Jeanne Fitz legacy by building quality cooking, baking, and decor products from our home to yours.
